## Guess Her Muff, or Being a Vaginacologist

Being a Vaginacologist takes skill, practice, hands on knowledge, and sometimes lots of beer. For our Guess her Muff game, we'll be showing you pictures of women with their clothes on and a group of options about how a typical woman may shave her pussy, i.e. Shaved/Waxed, Trimmed, Landing Strip, Patch, Bald. Simply select your guess about her muff and submit it to see the unclothed reveal photo, and sometimes bonus pictures, of the woman to see if you've guessed correctly.

To move to the next image in our Guess her Muff game, click the "Next Pic" button below the answer images. You DO NOT have to vote or comment for it to work, but I appreciate it if you do. Click on the main image to see the full size photo of her muff.
